THE HLM SERIES

MATCHPLATE MOLDING MACHINE

Our HLM Series linear-motion matchplate molding machines offer smooth, quiet, energy-efficient operation with lower maintenance requirements. That adds up to increased mold quality, productivity and profit potential. To find out if our HLM is the answer to your matchplate molding needs, visit <http://www.hunterfoundry.com/HLM-10>, call 847-397-5110, or scan below.
